

Manufacturer's Declaration of Conformity and Exemption from CE Marking

Ref.: ACC-04/2024

FLOWEV Waterproof Cover – Waterproof Protective Sleeve. Cover for the EV Charging Socket and Plug

Brand:	FLOWEV
Model:	Waterproof Protective Sleeve
Product Code:	FLW-TS-COV-S
EAN Code:	5908305843535

Declaration:

We hereby declare that the above-mentioned product:

- is a passive protective accessory designed to protect the EV charging plug and socket from weather conditions and contamination,
- does not contain any electrical or electronic components,
- does not emit or receive radio waves,
- is not electrically powered and does not operate under voltage,
- does not fall within the scope of Directives 2014/35/EU (LVD), 2014/30/EU (EMC), or 2014/53/EU (RED) and, therefore, is not subject to the CE marking requirement under these legal acts.

The product is subject to the general safety requirements set out in Regulation (EU) 2023/988 of the European Parliament and of the Council on general product safety (GPSR).

Based on the safety assessment carried out, the product is safe under reasonably foreseeable conditions of use, provided that it is used for its intended purpose and in accordance with the instructions and safety information provided.
