

## Mounting clips – Holder for EV charger

### PRODUCT IDENTIFICATION

- model: **wall-mounted holder for EV chargers**
- material: **ABS plastic**
- dimensions: **12 × 9 × 7.5 cm**
- colour: **black**
- intended use: **for storing EV chargers**

### INTENDED USE

The product is intended exclusively for storing EV chargers.  
**Do not use for any other purpose.**

### INSTRUCTIONS FOR USE

1

Select a suitable location for installing the holder.

2

Install the holder using the screws and wall plugs provided.

3

Place the charger in the holder.

4

Check that the holder is securely installed.

5

Enjoy safe and convenient charging.

### SAFETY WARNINGS

- Do not overload the holder – this may cause damage.
- Do not expose the holder to high temperatures or open flames.
- Keep out of reach of children.
- Use indoors or in sheltered areas only.
- Do not use a damaged holder. If damaged, replace it.
- Before use, check that the power cables are properly connected.

### GOOD TO KNOW

- The holder is made of durable ABS plastic, resistant to moisture and mechanical damage.
- The holder provides safe and convenient storage for an EV charger.
- Compact size – ideal for a garage, carport, or utility room.
- The product is placed on the market in accordance with the requirements of Regulation (EU) 2023/988 (GPSR).

### MAINTENANCE

- Regularly check the condition of the holder and its mounting.
- Clean with a dry or slightly damp cloth.
- Protect from strong mechanical impacts.
- Do not use aggressive chemical cleaning agents.

### STORAGE

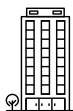

- Recommended installation height: 80–120 cm above the ground.
- Install on a stable, level surface.
- Keep away from corrosive and explosive substances.
- Mounting screws and wall plugs included.

### DISPOSAL

Dispose of the used product at an appropriate waste collection point in accordance with local regulations.
